Subject: RE: PRMB - 2019 Annual Adjustment Report for LTM Endowment (UNCLASSIFIED)

I took this bank over in March while our normal staff lead is on maternity leave. I've talked with her in the past about the bank, but not the endowment calculation specifically. I can look more closely at the endowment adjustment, but probably not until next week. I have comments on a technical report due Friday and I'm way behind.

Let me know if you want to chat next week, or if you'd rather just call Marlene.

Melissa

Have you been working on this bank for a while or is this the one you took over recently? I have some questions about their endowments and Shannon is super busy right now. Even if you're new to this one do you want to look at the credit release request letter and endowment adjustment report with me or should I just contact the consultant Marlene? Thanks Janice 209 640 9686

Marlene

Thanks for providing those endowment calculations. I will review them this week.

Regarding the April 1 reporting date. That will have to be agreed to by all IRT members. I do support the change to April 1. Thanks Janice

Warning: This email originated from outside of CDFW and should be treated with extra caution.

Hi Petersen Ranch Mitigation Bank IRT Members,

Hope everyone is doing well and staying safe and healthy!

Please find attached the new Petersen Ranch Mitigation Bank annual adjustment report for the long-term management endowments.

Per Section IX.A of the BEI, we are reporting the 2019 annual adjustments to the long-term management endowments and calculated deposits for both Area A and Area E. Moving forward and per CDFW's request we will send this separate report to you all every year by April 1. CDFW has recognized the March 1 due date as written in the BEI is not feasible due to the timing of when the State of California releases its CPI data - we hope this works for the other IRT members as well.

In previous years this information was submitted with SRMA's financial reporting on the endowments as an appendix in the annual monitoring reports. We will continue to provide SRMA's financial report, which demonstrates the investment performance of each endowment account, with the annual report.

Please let me know if you have any questions.

Thanks and have a wonderful weekend,

Marlene
